THE BEACONSMITH COLLECTIVE

CREATIVE TECHNOLOGY / INNOVATION / CULTURE

An institution bringing people, ideas and emerging technologies together through practical learning, creative production and community.

PROGRAMME BROCHURE 2026

ENUGU / NIGERIA

THEBEACONSMITH.COM

A PLACE FOR IDEAS TO MEET.

The Beaconsmith Collective Limited is a creative-technology and innovation institution based in Enugu, South-East Nigeria. We connect technology, art, learning and community through practical programmes and an operating physical hub.

BEACONSMITH HOUSE

Our physical setting for exhibitions, workshops, developer meetups, creative production and community exchange.

LEARNING

Practical skills and institutional capacity building

MAKING

Art, digital production and emerging technology

CONNECTING

Communities, educators, builders and partners

WHAT WE BUILD & DELIVER

01

AI FOR ACADEMIA & WORKFORCE

AI productivity, research support, verification and responsible adoption.

02

AI MEETS ART

Interdisciplinary encounters between artists, culture and artificial intelligence.

03

AI MEETS ROBOTICS

Workshops and practical exploration of robotics and intelligent systems.

04

DEVELOPER & TECH COMMUNITIES

Meetups, campus activations and emerging-technology learning.

05

ART & CREATIVE PRODUCTION

Exhibitions, gallery projects, original artworks and commissions.

06

EVENTS & CREATIVE EXPERIENCES

Creative workshops, convenings, collaborations and public programming.

FROM AWARENESS TO CAPABILITY.

UNIVERSITY OF NIGERIA / AUGUST 2026

Beaconsmith led the delivery of a two-day AI for Academic Productivity train-the-trainers workshop at the University of Nigeria, Nsukka, engaging academic staff and postgraduate researchers.

100+

PARTICIPANTS

02

TRAINING DAYS

The programme covered academic workflows, teaching and research productivity, practical verification and responsible AI use. A further health sciences training engagement was being prepared for October 2026.

CREATIVITY IS OUR LAB.

AI MEETS ART

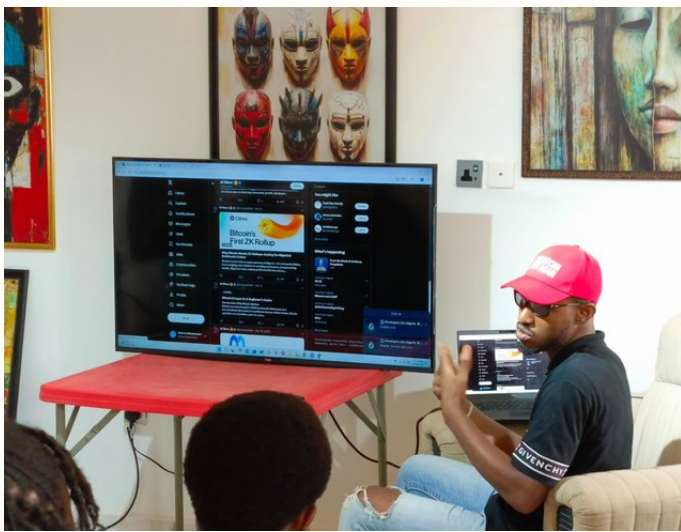

A programme series exploring new creative methods, digital production and the relationship between cultural expression and artificial intelligence.

AI FILMMAKING RECOGNITION

Our founder received the Best AI Short Film award at the 2025 Naija AI Film Festival, reflecting Beaconsmith's wider interest in creative experimentation and storytelling.

PEOPLE. NOT JUST PLATFORMS.

We build spaces where engineers, students, artists, educators and builders can meet, learn and collaborate. The hub has hosted and facilitated hands-on learning, developer sessions and interdisciplinary conversations.

THE PROGRAMME MODEL

LEARN

Training, workshops and mentorship

SHOW

Demonstrations, exhibitions and showcases

CONNECT

Industry, academia and local communities

BEYOND THE EXHIBITION.

Beaconsmith connects practical programme delivery with cultural production, community mobilization and partnership opportunities across South-East Nigeria.

20

ORIGINAL ARTWORKS

Supplied to Hotel Presidential, Enugu, as a completed commercial creative engagement.

INSTITUTIONAL TRAINING

AI literacy, academic productivity and practical technology adoption.

RESEARCH & INDUSTRY LINKS

Convenings, pilots, workshops and relationships between users and builders.

CULTURE & CREATIVE ECONOMY

Commissions, exhibitions, film, arts programming and professional exchange.

WHAT WE ARE SEEKING

University and research collaborations • Implementing partnerships • Creative-technology projects
• Exhibitions and institutional commissions • Commercialisation and pilot relationships.

LET'S BUILD TOGETHER.

For training, institutional programmes, creative collaborations, exhibitions and community innovation partnerships.
